Nail Technician Course (Basic to Diploma Level)

Hello Beautiful!

I'm offering a pre-recorded Basic to Diploma level Nail Technician Course that covers everything you need to become a professional nail tech. After completing this course, you won't need to join any other class!

✦ Here's what you'll learn:

- 8 Types of nail extensions
- Removal techniques
- 30+ Nail art designs
- Press-on nails class
- How to handle clients professionally
- Product knowledge
- And many more advanced techniques!

A special Q & A section is also included.

The course comes with 1-year access so you can learn at your own pace.

I'll guide you on where to purchase all the products.

Course Fee:

₹30,000 - ₹2499/-

Certification Process:

You'll receive your certificate after you:

- Practice everything and show me your nail work
- Send me pictures of your model's nails done by you

Got doubts? Message me anytime!

This is a pre-recorded course because many people said their schedule doesn't match with live sessions. So now, you can watch and learn at your convenience and still get all your doubts solved by me.

You'll also be learning many advanced techniques—so why wait?

Join now and make the most of this amazing course full of benefits!
